

FORMULA SHORTAGE RESOURCES

TEXAS WIC OPTIONS

WIC clients can go to **www.TexasWIC.org** to find the list of alternative brands available to them if they cannot find their brand at the grocery store. This list is updated daily.

They can also contact their local WIC office for assistance. There is a list with our local WIC Clinic's contact information and addresses here **www.austintexas.gov/page/wic-locations**

"ATX FAMILY CARE"

WIC participants can join our Facebook group, "ATX Family Care" where we post daily updates and answer general questions from the community.

MOM'S PLACE

Lactation Support Center
Centro de Apoyo a la Lactancia

Mom's Place Lactation Support Center is where mothers can receive breastfeeding assistance from registered nurses and lactation consultants.

Appointments can be made by calling **512-972-6700**, and a toll-free breastfeeding hotline can be reached by calling **1-800-514-6667**.

FAMILY
CONNECTS®

Family Connects works to support families after the birth of a newborn. Nurses are available for home visits to measure newborn and maternal health and assess strengths and needs to link the family to community resources. More information is available by calling **512-225-0363** or emailing **family.connects@austintexas.gov**.

United Way

**United Way for
Greater Austin**

Use ConnectATX **www.unitedwayaustin.org/connectatx/** to find up-to-date information on local food pantries that may have formula, housing, transportation, child care, and more.
